Farnas Furniture is located in Longjiang Town, Shunde District, Foshan City, Guangdong Province, which enjoys the reputation of "China Furniture Manufacturing Town" and "China Furniture Material Capital". Set design, research and development, production, sales and service as one, build American light luxury, Italian light luxury furniture series. Farnas furniture is a new force to interpret the cultural concepts of American light luxury and Italian light luxury. It inherits the essence of home culture and carries the practical value and aesthetic value of furniture in the mainstream families of society. From design, material use to production, the whole process always pursues art and fashion, nature and environmental protection, safety and practicality, simplicity and comfort as the starting point of products. Perfect combination of modern people's innovative attitude towards home life and aesthetic orientation of the concept, we fully tap the American light luxury, Italian light luxury and other furniture production technology and focus on absorbing foreign fashion furniture design concepts. With solid wood, top dermis and rose gold stainless steel as the main elements, together with marble and glass materials formed by modern technology, the products carefully manufactured cover American and Italian light luxury series. With realistic style and excellent quality, we have realized the "Dream House, Great Beauty Yue" home culture. Farnas Furniture stands at the height of high quality life, in line with the purpose of "seeking innovation in design, truth in materials, and sincerity in service", with the power of passion, it has created a vigorous source of life for Jinglong Furniture, and let the global consumers experience a pleasant high-quality home life. Focus on Farnas and make an appointment with you...

BEAUTY OF CONCISENESS AND AGILITY

Condensed year after year's expectations, tied to the feelings of spring, summer, autumn and winter, there is a concise and flexible beauty, always in my mind. In innumerable days, I opened the warmth of dust, and condensed into an inexplicable but understanding touching heart.

Noble, is not a matter of luxury, not a life of luxury, but a kind of life attitude. Excellent design, give you an elegant, artistic space

高贵,不是物质的豪华,不是生活的奢靡,而是一种生活的态度。卓越的设计,给你一个高雅、艺术的空间。

EXQUISITE TECHNOLOGY AND EXQUISITE

The rich level minimalism of deductive simplicity shows the expectation of modern people's complex heart to simplicity. The sofa adopts the humanized design of low back and high headrest, which makes people feel very comfortable no matter changing any sitting posture, perfectly conforms to the changes of human physiological curve, and the unique and extremely comfortable armrest makes people feel very comfortable and relaxed when the headrest changes any angle after countless times of optimization design.
